

Says

What have we heard them say?
What can we imagine them saying?

Thinks

What are their wants, needs, hopes, and dreams?
What other thoughts might influence their behavior?

The English idiom don't judge a book but it's cover is a metaphorical phrase that means one should not judge the worth or value of something or someone by their outward apoearence alone.

It has one purpose:to sell the book by intriguing the right readers.

The front civil us the first of the physical parts of a book.

Optional elements include the subtitle (if there is one) and photos background images or graphics.

The essntial elements of a Fornd cover include title and ather name.

AD Group

Child's response to the stress of testing,the tasks they evade and the task they prefer, and ability to persist and sustain attention to difficult tasks in book cover

Babies and toddler's are often anxious about separation from you

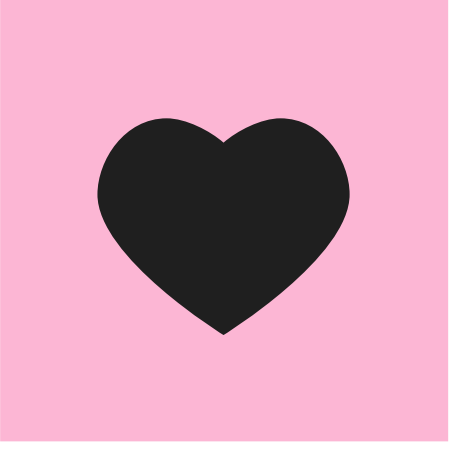

They also fear things like loud noises heights and strangers

But babies and toddler's don't tend to worry in the way that old children do.

Does

What behavior have we observed?
What can we imagine them doing?

Feels

What are their fears, frustrations, and anxieties?
What other feelings might influence their behavior?
